**Multiverso. Memoria (Multiverso / Multiverse) (Spanish Edition)** Leonardo Patrignani

Tras la destrucción de la Tierra por el impacto de un asteroide, Jenny, Alex y Marco se encuentran de nuevo en Barcelona, cerca de la playa, el último lugar donde estuvieron juntos. Todo parece normal hasta que se dan cuenta del límite de su entorno en relación con su memoria. Están ahora en Memoria, un lugar que depende de sus propios recuerdos y donde van perdiendo poco a poco sus sensaciones. Los tres chicos se sumergen en sus propios recuerdos y confrontan situaciones del pasado que, en vano, intentan modificar. Poco a poco descubren su historial común: fueron objetos de experimentación genética por el padre de Marco, ginecólogo científico. Tras este increíble viaje en el tiempo lleno de emociones y descubrimientos personales los tres se reúnen de nuevo en Memoria justo antes de desaparecer. / After the Earth's destruction by an asteroid, Jenny, Alex, and Marcus are back in Barcelona, near the beach, the last place where they were together. Everything seems normal until they realize the limits of their environment in relation to their memory. They are now in memory, a place that depends on their own memories where they gradually lost their feelings.
