The Names of God by Ken Hemphill (April 01,2001) Ken Hemphill

Publication Date: April 1, 2001 What's in a name? When the Bible speaks of God, the name used holds more significance than you ever knew. For example, the very first reference to God in Genesis 1:1-the name Elohim-teaches and reveals the triune nature of God. We are commanded to honor the name of God, but to do that adequately, we must understand the inherent greatness of the names which God uses to refer to himself. Ken Hemphill takes the reader through an in-depth devotional study of the names of God, teaching the significance of each name and the keys it possesses to growing us in relationship with God. God's names are not only our protection but also reveal the very nature of God himself. This is why we are to honor his name.
