Newsflash: it's within your reach Not only that - it is easier than you ever thought, and I am living proof of this. Memories of my lifestyle back home are just blurs compared to the ways I take advantage of my freedom now - riding elephants, scuba diving, traversing world-famous mountain ranges, eating delicacies until my stomach explodes, and basking in nature that made me feel like I was living in an issue of National Geographic. This book is a result of the steps I took to forge my own path to seize the life of my dreams, interwoven with the experiences of dozens of other people who have done the same thing (<http://bit.ly/MoreCoolVideos>). Seize the remarkable life you deserve! Click the BUY NOW button at the top of this page and unlock your new path in life. P.S. Don't let fear stop you from living the life you deserve to live. Read this book, and take action on it. You will then become a part of the minority who doesn't let society dictate the rules...you'll be someone who sets your own! "I've read quite a bit of "advice" on how to become location independent and financially independent. None of it stuck because it assumed starting with access to a large amount of savings, or focused solely on blogging, which isn't my interest. Reading this book I realized I'm already way closer to my dreams than I thought. Grant helps you identify your potential business models, shows you common pitfalls to avoid, and even has a walk through for going from zero to independent, in case everything falls apart. It's not a one solution fits all book." - Jeny "Break The System is like the encyclopedia to Digital Nomads. If you ever wanted to know more about full time travel or making money online and wanted to see how others are already doing it, this is a great reference and resource." - James
