London: The Novel (A Historical Epic) [11 Audio Cassettes/16.5 Hrs.] PART II OF III Edward Rutherfurd

Part II of III. With its fast-moving plots, packed with information, LONDON tells a two-thousand year tale of families in England's capital, from Roman to present times. It's one of the greatest cities on Earth, and Edward Rutherfurd places it at the center of his historical epic. London follows the city's growth from Roman times through the Victorian era and the building of Tower Bridge. The cast is filled with memorable characters. There's Julius, a Roman counterfeiter, risking his life to find buried treasure. Dame Barnikel, who runs the tavern where Chaucer and his pilgrims carouse. Geoffrey Ducket, the founder of a dynasty of English peers. Edmund Meredith and the actors in Shakespeare's Globe Theatre. And little Lucy, living by Dicken's muddy Thames. Through their adventures, we watch London expand from its distant beginnings, hear the echoes in its grand past, and become part of a historical pageant that still marches on.
