Manic Expression: A Collection BookII James Daniel Walsh

Steeped in raw, primal emotion, author James Daniel Walsh explores the natural and supernatural human experience in volume two of his epic Manic Expression anthology. This collection of stories weaves a tapestry of adventure, romance, comedy, drama, horror, and social commentary. The Pacific Coast city of Long Beach, California, is the backdrop for these eight stories, which, together with volume one, becomes an epic saga of families, friends, lovers, murderers, monsters, and gods.
