ROMANCE: His Ebony Blood Jewel - A Novel (BWWM, Paranormal, Vampire, Billionaire New Adult Romance) Chanel Kimani

She could feel his body calling for her. Aching for her. That restless, ceaseless desire that coursed through her body felt as though it might be too much for her to take. She closed her eyes as she imagined his arms enveloping her, pulling her close to him. She visualized her head resting on his right pec, hearing the beating of his heart. She knew at this moment, she had to decide her fate. Was she willing to give it all up to be with the man of her dreams?

Harper Jackson seems to have it all. She's a cocoa-skinned goddess who's been successful in her career, has amazing friends, and has all the men of Oak View at her beck and call. But despite all this, she feels a painful longing that simply can't be filled. Her friends say she's too much of a perfectionist, that she simply can't let down her guard enough to let a man in unless he's absolutely perfect. And although everyone tells her otherwise, she knows in her heart that the right man is out there waiting for her. She just needs to figure out where to look.

Bryce Petros is a Greek shipping heir, the subject of most red-blooded women's obsessions. With his dreamy good looks, tanned skin and Caribbean blue eyes, appearing shirtless on the beach with his chiseled abs is enough to cause chaos. But despite this, he still finds himself searching for his one true love. But his deep secret, that he comes from a long line of vampiric overlords, threatens to keep him from the one who desires the most: his chosen mate...his precious blood jewel.

This is a full-length novel with no cliff-hanger and a HFN ending. There are some lingering elements of mystery that will be continued to be explored in forthcoming books in this series.

This is the debut novel of best-selling Amazon author Chanel Kimani.
