ROMANCE: INTERRACIAL ROMANCE: Her Bad Boy Billionaire's Baby (BBW BWWM Bad Boy Pregnancy Romance) (New Adult Contemporary Suspense Romance)

I stepped into the office looking for my mentor but I'd found my savior instead.

ANDREA

My sister was in trouble and this time I couldn't save her on my own. Titus my boss's billionaire business partner arrogantly rose to the challenge of helping me find and rescue her even though I wasn't sure if I wanted him to.

He was dangerously sexy. I knew better than to trust someone like him. I didn't want to get too close but I had no choice. He was my only hope.

TITUS

I'd been around long enough to know I was headed for trouble as soon as she walked into my office but I never expected for things to go the way that they did.

She needed help. I could see it in her eyes. But the kind of help that she needed required skills from a life I buried and left behind many years ago.

She tried to push me away but there was no way I was letting go of this one. I knew that I shouldn't get involved but I instinctively felt a sense of duty to protect her.

She was irresistible. Her soft curves, her beautiful chocolate skin, everything about her captivated me. For her, I was willing to put it all on the line even if it meant resurrecting demons from my past.

Even though I was willing to risk my life for Andrea I wasn't ready to face the news that she was carrying a new life inside of her that belonged to me...
