Sex, Lies and (Your) Money is a mini-book with a collection of four short stories based on real events, taken from the book Beef Stew for the Mind. Full of insightful scenarios that will (hopefully) cause the reader to “wake up before it’s too late”, Sex, Lies and (Your) Money is the perfect gift for those who need a dose of reality, but are just too stubborn to listen to family and friends. Sort of an “intervention” for those involved in bad relationships, money scams and unnecessary drama.
