Who is Jesus... Really?: A Dialogue on God, Man, and Grace (The Coffee House Chronicles) Josh McDowell, Dave Sterrett

With over 40 million books sold, bestselling author Josh McDowell is no stranger to creatively presenting biblical truth. Now, partnering with fellow apologist Dave Sterrett, Josh introduces a new series targeted at the intersection of story and truth.

The Coffee House Chronicles are short, easily devoured novellas aimed at answering prevalent spiritual questions. Each book in the series tackles a long-contested question of the faith, and then answer these questions with truth through relationships and dialogue in each story.

In *Who is Jesus, Really?: A Dialogue on God, Man, and Grace*, the group of students now meeting at the coffee house at a college town in Texas come face-to-face with the implications of the person and works of Jesus Christ. Their questions and conversations lead them to creatively respond to a well-known Atheist about Jesus' claims and actions. The other two books in the series: *Is the Bible True, Really?* and *Did the Resurrection Happen, Really?* continue the unfolding story at the college campus and the coffee house down the road.
