This book is a world-class report by the Asia Competitiveness Institute, updated annually to analyse Indonesia's competitiveness at the provincial level. With 104 indicators covering four environments, the study's unique methodology incorporates comparative strengths and weaknesses. Apart from scores and rankings, what-if policy simulations offer various provinces practical prescriptions to improve overall competitiveness to accelerate economic growth and development in a balanced, fair and sustainable way. Such qualitative and quantitative analyses in collaboration with various stakeholders generate an exciting pathway for Indonesia to attain its rightful place in both the Asian region and global contexts.
