Baby Einstein: Animales a tu alrededor introduces children to familiar animals in and around the home through beautiful full-color photography and simple identifying questions ("Is that a ladybug on a leaf?"). Then three simple fun facts about the animal explain how they live or unveil a mystery about them ("A rabbit's long ears help it hear the smallest sounds."). Big bold lettering helps older kids begin to pick out letters. From the youngest baby to a curious four-year-old, there's something new to discover and learn in this bright Spanish-language book that also includes a dog, cat, bird, mouse, duck, and frog.
