HOW I MAKE \$4,000 A MONTH PART-TIME SELLING USED BOOKS ONLINE: The Authoritative Manual: How Ordinary People are Making \$50,000+ Selling Used Books Part-time from Home & How You Can Too! M. Mitch Freeland

"It seems that there are countless books that offer a way to make 'easy' money. At best, they usually give vague theories of information easily found elsewhere, and at worst, they ask for even more money for greater details of these 'get rich quick' offerings.

Mitch Freeland delivers on the promise of information he makes. Not only does he offer an interesting and unique way of earning alternative income, he gives you the specifics in order to make it work. He outlines a process and procedure that virtually anyone can take advantage of. His insights are unique, informative and most importantly, honest. He is upfront in that one will need to invest a small amount of monies in order to proceed, but the costs are relatively minor and the author isn't asking the reader for those monies.

Mr. Freeland has given anyone interested an honest blueprint to follow that if followed correctly, will turn a profit, and as he explains, it's up to the reader as to how much time they want to invest which in turn will determine their potential profits.

I have followed Mr. Freeland's plan, and can honestly say to my delight that it works! If you're looking for an alternative and interesting way to make some additional money, I wholeheartedly recommend you purchase this e-book."

—Michael Klasterin author of the International Bestseller, "Back to the Future: The Ultimate Visual History"
