Love You Forever: Book 5 in the Forever Cowboys Series Hope Whitley

Love You Forever is Book 5 in the Forever Cowboys Series. It is a standalone book but has many of the characters from previous stories. Wren Taylor, who considers herself a Plain Jane, has come from New York City to the mountains while she tries her hand at writing and illustrating graphic novels. Wren hasn't had an exciting life up to this point. She was tied down caring for a demanding hypochondriac mother for years and has missed the social life most young women experience. After her mother passed away, Wren was mugged and almost killed, then fired for missing too much work. Dr. Stein, her therapist in the city, advises her to go away somewhere for a complete change of scenery. So Wren goes to Wolf Pass, Wyoming, where her friends Marielle, Samantha and Maeve live, and is given the use of Marielle's little ranch house during her stay.

Enter Gage Donovan, a drop dead gorgeous cowboy and the original bad boy who has his pick of women. Gage needs help getting his ranch converted to a dude ranch and someone to straighten out the bookkeeping, set up a website and a lot more. Unfortunately, Gage doesn't have a lot of money to pay for these services.

Wren is a whiz at bookkeeping, website building and social media marketing. She agrees to trade out her work in return for driving and self defense lessons from Gage. It isn't long before she falls head over heels for this bad boy cowboy.

But will he fall, too?
