"Maybe this was a medical necessity. In their line of work, Rick and Olivia were always revving up the passion and physical desire for one another. It came with the territory of dancing like that together. Maybe sex was necessary. A reset button. A vessel for expressing those needs when they needed to the most. Olivia wouldn't deny it. She was attracted to Rick and wanted him again. She pushed herself against him, legs wrapping around his waist while his mouth searched for bare skin beneath her baggy T-shirt. His jacket slipped off his body and landed on the floor. Whatever he was thinking, it was definitely not related to stopping!"

## STARLIGHT SAMBA

With Rick's first world tour just around the corner, he and Olivia are hard at work practicing their choreography – and the masterful art of avoiding what continues to grow between them. For when a man and woman have already once given into their passions, what is to prevent them from doing it again?

From Los Angeles to Buenos Aires, from London to Tokyo, these two have to either give in or give up. But while Olivia toys with the idea of becoming Rick's #1 tour girl, Rick has to face an unfortunate truth coming from his ex-girlfriend's direction.

By starlight the samba shakes up more than a little music. Lust and love collide in the latest installment of DANCES WITH THE ROCK STAR.
