God In My Head: The true story of an ex-Christian who accidentally met God. Joshua Steven Grisetti
In the bleak winter of 2009, Agnostic and dental-phobic Josh Grisetti experienced an accidental prescription drug overdose at a dentist's office, and subsequently had an unexpected encounter with the Almighty Creator of the Universe. During the supernatural encounter, God explained the meaning of life, revealed the mysterious truths behind the writings of the Bible, unveiled the secrets of the afterlife and, most importantly, dramatically altered the spiritual course of one young man's life.
This odd, irreverent spiritual memoir chronicles Josh's journey with blunt comic undertones, undercutting the lofty gravitas typically associated with the "heaven tourism" genre (including best-sellers like *Heaven is for Real*, *To Heaven and Back* and *Proof of Heaven*). While making no claims regarding "proof" of God, heaven or any particular theological truth, this true story is an entertaining and thought-provoking journey into the psychology of religion and the existence of God.
