Intimacy With Impotence: The Couple's Guide To Better Sex After Prostate Disease Ralph Alterowitz, Barbara Alterowitz

Erectile dysfunction is a frequent consequence of prostate cancer and other prostate disease treatments. Though unwelcome and embarrassing, it doesn't have to end a couple's sex life. Both informative and practical, *Intimacy with Impotence* gives couples cause for hope. It discusses impotence in lay terms, provides information on the commercial therapies and medications both available and being researched now, and gives practical advice about lovemaking—from getting in the mood to commonsense suggestions to erection-less satisfaction. Written with complete honesty and compassion by a prostate cancer survivor and his wife, this is the essential resource for couples trying to reestablish intimacy and sex in the face of impotence.
