College freshman Alexis Ames wants nothing more than to tuck away her freak flag and pretend it doesn't exist. Career, family, and true love. That's the normal future she yearns for. But when she falls for classmate Tristan Knight, everything changes. Behind his disguise of perfection, he's not exactly normal, either, and their secrets begin to unravel.

She's the future leader of a matriarchal society that serves as the Angels' army on Earth, and he was created by the very Demons they fight. Legend says their souls were made for each other, but that doesn't mean love comes easily. While Tristan battles the darkness bred into him so he can be with her, she must conquer her own inner demons of past betrayals and learn to trust again.

If their relationship can survive, their union will bring hope and promise to the world. But Hell's minions want the couple for themselves and will stop at nothing to have them. After all, Alexis and Tristan are a match made in Heaven - and in Hell.
