VooDoo Souls

Ezekiel Azazel II

VooDoo Souls Ezekiel Azazel II

The story of VooDoo Souls was crafted from very real and horrible nightmares, and is set during a very dark period of time in our nation's history-The post Jim Crow days, in 1968 Macon Georgia. On the outskirts of this tolerant city, an aging group of motorcycle riders called the VooDoo Souls finds trouble, when a cursed amulet buried by a slave is unearthed. Feuds become rekindled between old foes, when an up and coming club called the Confederate Buzzards encroach upon the secrets buried within the dilapidated plantation, and home to the VooDoo Souls.

With inspiration from King and Poe, Ezekiel Azazel respectfully presents his debut novel, VooDoo Souls.
