Wife Pays The Mechanics: (MMMF Interracial Group) (The Ganging of a Hotwife Book 3) Sylvia Redmond

**Their car was broken down and they were out of money, but the auto shop had another way for her to pay off their debt...**

Susan was a gorgeous wife out for a day at the beach. It was just her, her husband, and her new string bikini. Everything was going great, until their car broke down on the way home.

They didn't have money and they didn't have options. The mechanics were half way through their repairs when they realized they would not be compensated. There was a way for them to work off their debt, the garage owner told them, but it would involve Susan getting down and dirty...

Will Nick be willing to give his wife's body to three surly mechanics? And is what they say about black men really true?
