This is a PG-13 version

Torie Mills is beautiful, successful and a New York Times best-selling historical romance author. Determined to find some solace from her fast paced and demanding life, she decides to move to Mahaska County, Iowa--a mile outside of the tiny town of Fremont and into her great-great-grandparent's old homestead. Her plan is to restore the property to its 1870 glory days.

She hires handsome, renovation expert Dave Cameron to do the work and together they bring the old Victorian house back to life. When Torie moves in, she discovers that restoring the house has opened a portal into the past. Time traveling each night to the Fremont of old, becomes her wonderful escape and her secret obsession as she learns about family, loss and to cherish the moments, from her long lost loved ones.

When she and Dave become lovers, he gets swept into the travels as well--until they both realize, much too late, that there was evil in the past that would have been better left alone...
