Steve Jobs for Kids! Amazing People of the World Ian D. Fraser

This book will teach children ages 9 to 12 about the incredible life of Steve Jobs, the man who went from making computers in his parents' garage to starting Apple computers and inventing the iPhone, the iPad, iTunes, and many more wonderful devices. He even had a company that made the famous animated movies Toy Story, Finding Nemo, and Cars!

Read this book and discover...

- * How Steve Jobs made it possible for ordinary people to have computers for the first time in history.
- * How Steve changed the way people listen to music...and even how they buy it.
- * How Jobs transformed the simple phone into a powerful computer you can hold in the palm of your hand.
- * How Steve fell in love with technology when he was just a child.
- * How a handwriting class in college changed Steve's life...and influenced the way Apple computers look today.
- * How Steve Jobs made computers easy — and even fun — to use.
- * How Steve revolutionized animated movies forever.
- * The big lessons that we can learn from Steve Jobs's life.

...and Much, Much More!

So start reading and discover how Steve Jobs revolutionized the world with his ideas and what he can teach all of us about going for our dreams.
