Two phenomenally bestselling authors bring a unique two-sides-of-the-brain approach to creating wealth. Brilliantly organised, the book combines fiction and non-fiction--on the right-hand pages is the story of a woman who must raise \$1 million in 90 days to keep her family together, on the left are the nuts and bolts of how she does it, and you can too. By bringing the two sides together, the authors show how everyone can overcome fears and doubts and leap over the hurdles that limit potential.
