Growing Toward Spiritual Maturity (Biblical Essentials) Gary C. Newton

One of the first lessons to learn as a growing Christian is how to serve. In contrast to a “me-centered” culture, Christians should not merely satisfy themselves but instead seek to emulate Jesus. *Growing Toward Spiritual Maturity* advocates a strategy for growing toward Christlikeness based on the actual ways that people develop. By understanding the dynamics of spiritual growth, readers are more aware of how God uses the specific circumstances of life to draw people closer to himself. Text and discussion questions help believers mature as Christians by identifying and understanding spiritual disciplines, such as Bible study, prayer, a godly lifestyle, witnessing, and using spiritual gifts.

This title is one in a series being published by Crossway Books in cooperation with Evangelical Training Association. ETA provides Christian education resources for individuals, leaders and teachers, churches, Bible institutes, and other adult educational settings. With short chapters and thought-provoking questions, this book is useful for both personal study and group learning.
