Days in a cozy villa in Tuscany make Leah unwilling to go back to New York with Gianni's dark secret still between them. When Leah's frustration is too much, she gives Gianni an ultimatum at the risk of losing him completely. Will her demand cause him to abandon her, and devastate them both? Wanting Leah more every day, Gianni is hit unexpectedly with all the emotions she held inside too long. Faced with having to reveal his past or lose Leah, he has to make a tough decision. Will he finally talk about the locked room? "Having been away in the romance of Tuscany, it was difficult to let go of the intimacy they had found there. The pressures they had escaped would return, and the room in the condo that Gianni refused to talk about would still be locked. As would his heart. Leah couldn't tolerate the emotional distance between them, which she knew would resurface once they were home. Nor could she bear to see Gianni shoulder the burden alone any longer. The private moments they had shared in the quiet valley had bonded her to him in a new way. The pleasures he had bestowed allowed Leah to feel the depth of raw need. And she was more desperate than before to break through to him." Gianni Rinaldi was introduced in the Touched By You series, the endearing romance of Tanner and Natalie. Gianni was the owner of GR Showroom, and showcased Natalie's fashions. He was a source of jealousy for Tanner, although his relationship with Natalie was strictly professional in the Touched By You series. But he was deeply involved in his own romance, which you can now read about in "Leah's Seduction." The story unfolds over a series of novellas. Each is an episode in the ongoing tale of seduction into the secrets of the fashion industry, and the temptations of love.
