**Molecular Visions Organic Model Kit with Molecular Modeling Handbook 7th (seventh) Edition by Solomons, T. W. Graham published by Wiley (1999)**

Unused but does NOT come in plastic bag (as shown in picture), but rather in a collapsable cardboard box with printed instructions on the box. This item DOES NOT come with any handbook as listed in the description. It is not lost, I just didn't get one when I purchased this item at my University's bookstore.
