Students Must Write Robert Barrass

This guide to better writing for students of all subjects may be read as an alternative to a course on written communication or to complement such a course. It provides advice on the essentials of scholarly writing, on the choice and use of words, on writing for easy reading, on writing in tests and examinations, on giving a short talk, on writing letters and applications and on punctuation and spelling. Other topics include: answering questions in course work; the use of numbers, tables and illustrations to support your writing; how to find information, cite sources and list bibliographic details correctly; and how to prepare a dissertation, extended essay, term paper or project report.
