Book three of the Olympus Device trilogy takes the reader along on the adventures of a simple man who finds himself in the unenviable position of trying to protect mankind from his own creation.

Dusty's whereabouts are exposed by a selfless act of heroism, and again the Texan finds himself a target of a massive manhunt and political cover-up. As the truth becomes known, there is an outcry for justice, and the government has no choice but to consider compromise.

But not everyone is happy with the most influential nation on earth negotiating with a man who many consider a terrorist. Conspiracy and sedition orchestrate corruptive alliances, intent on controlling not only the United States, but the world.

The Olympus Device is a tempting mistress of power and global dominance, and treachery is soon afoot.

Follow Dusty and his friends as they attempt to negotiate through a swirling vortex of treason and deceit... and men who will stop at nothing to possess the Olympus Device.
