While scheduled to give a talk on another topic some years ago in Miami, Florida, Venerable Master Chin Kung, the eminent Pure Land master, looked out on the audience and perceived that to truly help the western guests in the audience, he would need to deliver a different lecture series than the one he had planned. This impromptu decision, based on the needs of the audience rather than the plans of the lecturer, resulted in a vibrant, spontaneous teaching. A teaching that many familiar with the master's numerous lecture series felt excelled at introducing Buddhism as well as the principles and practices of the Pure Land Dharma door.

After a general introduction in Part One, Part Two leads the reader through the Five Pure Land Guidelines of the Three Conditions, the Six Principles of Harmony, the Three Learnings, the Six Paramitas, and the Ten Great Vows of Samantabhadra Bodhisattva. Next, Part Three provides the overall progression for learning Buddhism. With his usual enthusiasm and clarity, Venerable Master Chin Kung helps readers better understand the teachings and how to successfully incorporate them into their daily lives.
