Although the list of our Chroniclers may be considered as complete, without the addition of this work, yet we have thought it worthy of a place in our series for many reasons. It is not for historical accuracy that the book before us is valuable; for the great mass of scholars have come to the decided conclusion that it is full of fables. But it is the romantic character which pervades the narrative, together with its acknowledged antiquity, which make it desirable that the book should not sink into oblivion. Those who desire to possess it as a venerable relic of an early age, will now have an opportunity of gratifying their wish; whilst others, who despise it as valueless, in their researches after historic truth, may, nevertheless, find some little pleasure in the tales of imagination which it contains.
