The Phonology of Polish (The Phonology of the World's Languages)

Edmund Gussmann

The Phonology of Polish (The Phonology of the World's Languages) Edmund Gussmann

This book is the most complete phonology of contemporary Polish ever published. It is topic-oriented and presents the fundamental characteristics and problems associated with each topic, among them syllable structure, vowel-zero alternations, palatalizations, and other vowel and consonant changes. Professor Gussmann re-examines assumptions about phonological contrasts and alternations, and raises and addresses central questions in morphophonology. He takes morphophonology to be systematically separate from phonology. Palatalizations, he shows, are crucial to Polish, as both phonological and morphophonological phenomena: their detailed description leads him to a systematic presentation of vocalic alternations.

The book develops a Government Phonology account of Polish, but is primarily a description of the language with the model subordinated to the organization of data. All the many examples used to illustrate the presentation are transcribed in standard IPA, and translated. This important book will interest all scholars and advanced students of Polish and Slavic phonology.

From reader reviews:

Richard Riggins:

As people who live in the particular modest era should be update about what going on or facts even knowledge to make them keep up with the era that is always change and move forward. Some of you maybe will probably update themselves by studying books. It is a good choice to suit your needs but the problems coming to a person is you don't know what one you should start with. This The Phonology of Polish (The Phonology of the World's Languages) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Lynne Silva:

Reading a guide tends to be new life style with this era globalization. With studying you can get a lot of information that may give you benefit in your life. Having book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their own reader with their story or perhaps their experience. Not only the storyline that share in the books. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors in this world always try to improve their proficiency in writing, they also doing some study before they write for their book. One of them is this The Phonology of Polish (The Phonology of the World's Languages).

John Bradley:

A lot of people always spent their free time to vacation or even go to the outside with them household or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. If you wish to try to find a new activity here is look different you can read any book. It is really fun to suit your needs. If you enjoy the book that you simply read you can spent all day long to reading a e-book. The book The Phonology of Polish (The Phonology of the World's Languages) it is very good to read. There are a lot of individuals who recommended this book. These people were enjoying reading this book. When you did not have enough space to bring this book you can buy the e-book. You can m0ore easily to read this book through your smart phone. The price is not to cover but this book possesses high quality.

Diane Dockins:

This The Phonology of Polish (The Phonology of the World's Languages) is great publication for you because the content which can be full of information for you who also always deal with world and also have to make decision every minute. This book reveal it data accurately using great plan word or we can state no rambling sentences inside. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but difficult core information with wonderful delivering sentences. Having The Phonology of Polish (The Phonology of the World's Languages) in your hand like

getting the world in your arm, info in it is not ridiculous one. We can say that no publication that offer you world inside ten or fifteen tiny right but this e-book already do that. So , it is good reading book. Hi Mr. and Mrs. occupied do you still doubt that will?
