The Rough Guide to Brussels Map (Rough Guide City Maps) Rough Guides

Designed to be tough and immensely practical, as well as amazingly good value, the new Rough Guide Maps forge a new standard in city maps. Apart from travel information, and the city's sites, monuments and attractions, the Maps show every shop, restaurant, bar and hotel listed in the Rough Guide travel guide to the city in question, together with their opening times and, in many cases, phone numbers. Each map covers the main area of the city on one side and an enlarged downtown city centre map on the reverse.
