Water Hazard Don Dahler

The follow-up to the critically acclaimed *A Tight Lie*---a darkly funny, fast-talking mystery with a dash of sports and no shortage of action

Golf is a game of consistency, and after too many missed fairways, missed putts, and missed cuts, Huck Doyle's career as a Tour pro is on life support. The sometime private eye has lost his full-time PGA player status and is back to scraping it out on minor tournaments. So it's only by the generosity of the father of an old law-school pal, Rick Wong, that Huck finds himself in paradise with a rare sponsor's exemption, gearing up to play in the Sony Open in Hawaii. But when his benefactor keels over dead from a gunshot during a practice round, Huck is obligated to find out who killed the millionaire banker and pillar of the community. Is it the young wife? A competitor trying to stop a secret bank merger? Or was it an assassination ordered from some distant shores?

With his brother undergoing an experimental spinal-cord treatment and his relationship with a beautiful medical examiner showing some strain, Huck has more than enough on his mind as he tees off in a career-changing match. As the investigation carries him into the murky waters of international finance, computer encryptions, and the dark side of paradise, Huck finds himself playing the game of his life, on and off the golf course.

In the footsteps of Tim Green and Mike Lupica, Don Dahler has once again written a riveting mystery that brings the world of sports into crime fiction. *Water Hazard* will satisfy thriller readers and golf fanatics alike.
