Chambers Sarah Gerdes

A new five-book Young Adult series that has been optioned by the producer of Mr. and Mrs. Smith, Bad Boys, and Jumper!

CHAMBERS takes readers of all ages on an amazing journey around the world and throughout time.

When George Fleener is mysteriously kidnapped, his children Cage and Mia are left with nothing except a backpack full of his junk—an old-looking notebook, a broken flashlight, a cracked mirror, and a strange metal orb that quickly reveals itself as the key to a time-travel portal. Cage and Mia are suddenly transported from present-day Seattle to the Forbidden City of medieval China, where they are captured by the fourteen-year-old Ming emperor. Cage uses his wits and his years of martial arts training to prove their innocence, save the Emperor, and evade conspirators, and in the process learns the frightening truth about his family—he and Mia are part of a royal lineage that has been battling evil for a thousand years. For the young Fleeners to survive the past and move forward through time, they must confront an invading army, command the dead, and bring sacred statues to life, all without altering history and changing the course of human events forever.

CHAMBERS, the self-published first installment of Sarah Gerdes' five-book series, has a multi-million dollar budget and is now in preproduction, with Lucas Foster of Warp Entertainment producing.

“Chambers is so compelling It's great book and we're going to make a great movie [and franchise] out of it.”

—Lucas Foster, Warp Entertainment, producer of films including Mr. and Mrs. Smith, Law Abiding Citizen, Bad Boys, Jumper, Man on Fire, Crimson Tide.
