Diploma Thesis from the year 2008 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 8 (sehr gut), , language: English, abstract: The theme of the diploma paper is "Effective Teaching Reading Techniques in Form Six." The diploma paper consists of 48 pages, 4 chapters, 5 sub-chapters, 6 tables, 6 figures and 6 appendices. The author of the paper has analysed different kinds of literature, such as scientific research and publications, course books, and scientific books referred to the teaching reading methods and approaches. In his practical research the author has tried to practise the most effective methods and approaches. All the success and failures have been described, analysed and taken into consideration. The author of the diploma paper has chosen the reading topic because he discovered the contradiction between a great number of English lessons, qualitative course books, and usually poor reading skills in form six. The main conclusion is that the effective methods` variations improve reading skills, but this regularity does not usually apply to children having different psychological problems like shyness, diffidence, fear. At the same time the poor conclusion making ability and poor vocabulary is the main cause of poor reading and language comprehension.
