Global Civilization: A Buddhist-Islamic Dialogue Majid Tehranian, Daisaku Ikeda

Global Civilization emerged from a series of conversations between two peace advocates of Japanese and Iranian origin. It covers the encounters between Buddhist and Islamic civilizations from the 7th century to the present. The topics discussed in this spirit of dialogue include such diverse subjects as the nature of religious faith today, global ideological terrorism, religious fanaticism, and universal human rights. Ikeda and Tehranian, two important representatives of their respective faiths, propose dialogue as the most effective method of conflict resolution at interpersonal, intra-national, and international levels.
