"Rarely do you find a book that so envelops you from the first page."

"The Most Important Thing is a psychological thrill ride that will keep you turning pages until you get to its heart stopping conclusion."

Love for Brian is very complicated and a little deadly.

Every time Brian tries in vain to get Beth out of his mind, an innocent woman dies.

The day Brian happens across Melanie Tate, everything seems to line up perfectly. Melanie is everything he could ever want, a woman who wants nothing less than a perfect life. Melanie doesn't know it yet, but her obsession with having the perfect family will put her in the path of a tortured soul who will stop at nothing to get what he desires.

Sometimes perfection has its price.

Serious Reading gave it **five stars**, "The Most Important Thing is a page turner without doubt. M.E. Matthews has remarkably shown her skills in thriller writing and the complex emotions which are often difficult to portray."
