Anne of Ingleside is a children's novel by Canadian author Lucy Maud Montgomery. It was first published in August 1939 by George G. Harrap & Co Ltd. It is the sixth book in the "Anne Shirley" chronology, and Montgomery's final published novel. (Two novels that occur later in the Anne chronology were actually published years earlier. As well, the short story collection *The Blythes Are Quoted*, written in 1941/42, but not published until 2009, concludes the Anne chronology.) The novel is one of a series of books featuring the character Anne Shirley. Montgomery found her inspiration in a newspaper article about a couple who were mistakenly sent an orphan girl instead of a boy, yet decided to keep her. She also drew upon her own childhood experiences in rural Prince Edward Island, Canada. A photograph of Evelyn Nesbitt, clipped from an American magazine and pasted to the wall near the author's writing desk, was also used as a model for Anne.
