Love You Forever is the final book in the inspirational and otherworldly Sofia Trilogy by author Marilyn L. Rice. What would you do if you thought you were going to die soon? In the first book, Look After Each Other, Sofia visits a clairvoyant. Her reading leads her to believe that she is soon going to die. The young woman decides to change her life around and live it to the fullest, making a "do-or-die" list and embarking on a liberating journey of mind, body, and soul. The second book, Sofia's Legacy, follows Sofia after her death. From "upstairs," she helps or hinders those still living. The story concludes with a totally unexpected ending. Now it is five years later and the year is 2010. The final book, Love You Forever, shows how dramatic and unimaginable events have changed the lives of everyone Sofia left behind at Haslington Towers. Even more surprising events occur that lead to devastating consequences. This stunning book series delves into karma, the afterlife, and more things in heaven and earth than you have ever dreamed! A retired teacher, Marilyn L. Rice is from the Midlands of England. This is her sixth book and it was written by reader request. Publisher's website: <http://sbprabooks.com/MarilynLRice>
