With an essay by Alatheia Hayter.

'My hour is come ... the clock of eternity is about to strike, but its knell must be unheard by mortal ears!'

This violent, profound, baroque and blackly humorous novel is the story of Melmoth, who has sold his soul in exchange for immortality in a satanic bargain, and now preys on the helpless in their darkest moments, offering to ease their suffering if they will take his place and release him from his centuries of tortured wanderings. *Melmoth the Wanderer* (1820) blended Gothic fiction and psychological realism to create a work of hallucinatory power.

The Penguin English Library - 100 editions of the best fiction in English, from the eighteenth century and the very first novels to the beginning of the First World War.
