Tall, Dark, and Deadly Heather Graham

When her friend disappears, and the cops seem uninterested in following up the case, a glamorous young woman starts her own investigation. With the help of an autistic child and her ex-lover, she digs deeper into the missing woman's affairs--especially her job as a criminal defense attorney. The growing list of suspects includes clients, colleagues, family members, and old flames--all of whom have their own reasons to get rid of the woman. And when a socialite with ties to the law firm is found in the Everglades, the trio of sleuths realize that someone is tying up loose ends...and they may be next!
