**The Expeditioners and the Secret of King Triton's Lair** S. S. Taylor

**Computers have failed, electricity is extinct, and the race to discover new lands heats up in the thrilling second book of the award-winning Expeditioners series.**

Kit, Zander, and M.K. West are settling into their new lives as students at the Academy for the Exploratory Sciences when Kit finds another mysterious map left for him by their father, the brilliant, famous — and presumed dead—Explorer Alexander West. Why did Alexander leave the maps behind, and why are government agents so determined to seize them? What is really going on in a mysterious and unknown stretch of the Caribbean, famous for its violent storms and shipwrecks? And what is the huge contraption M.K. is building in her workshop? As two world powers come to the brink of war, Kit must find a deadly hidden island and unlock its secrets, hoping he has the courage to follow the trail of maps, wherever it may lead.
