We are already living in the age of Anti-christ! The world is on the threshold of catastrophe. Scientific advances are really scientific tragedies that will spell chaos, confusion and terror. Within the next five years... Design your own child by going to the "genetic supermarket." Your mind will be programmed without your knowing it. Within the next ten years... Your brain will be controlled by outside sources! Your memory will be transferred into a live embryo. Within the next 15 years... You will plan your baby at a "baby hatchery." Elderly people will "disappear" at mysterious "retirement farms." Your ability to produce children will be controlled by Government license! Head transplants will become a reality!
