If it wasn't for a recurring client who only seems to show up when they need the money the most they would be two broke girls with nothing better to do. Just after they have taken another dead end case from this client they receive a mysterious box which leads them to a case that is more interesting but far more dangerous than anything they have ever done.

In *Two Girls Trapped in Their Own Case*, Sarah and Monica, best friends since high school have opened a detective agency in their small and seemingly boring town. They are given a mysterious case involving a missing girl that turns out to be a possible serial killer. When they stumble on a clue that could break the case wide open they impulsively take off and end up facing their biggest challenge ever- facing down and escaping the very killer that they are tracking.

In *The Chill of the Night*, you'll find a gathering of some of the most chilling, thought-provoking and wondrous tales of fright. You'll want to be cozy and secure when you dive into these depths, for more than just your nerve will be tested... for these are stories meant to drive your spirit to the edge of insanity, and bring you back in time for breakfast!

In *Land For Sale*, Detective Sergeant Ben Keyes and his boss, Chief Inspector Mark Bullard investigate and solve a case of break-in and murder.

There is a break in at real estate agent Zoey Wright's home in the middle of the night. Ben Keyes investigates. The next day, Zoey discovers that her office has also been ransacked. Ben investigates the follow-up crime. Later, the body of a man is found in his garden, shot to death.

In *Rounding Up the Mavericks*, Josephine Ann Clemente, being forced to travel from Virginia to Texas by train to meet the man her father has arranged for her to marry, soon finds out that Texans can sometimes be

too much to handle. When she meets a nosy traveled named Emmet Stone, she spends the remainder of her journey trying to avoid him. Little does she know, however, that he will soon cross her path again.
