*A never-before-published Men of Smithfield book*

With our family's legacy, Meyers B&B, in the flailing hands of me, Sam Meyers, and my sister Wynne, we're determined to revive the place. We've started a series of blind-date cooking classes, and taken on our first boarder. Granddad is even now rolling in his grave.

Signed up for the class is our new guest, Aaron Saunders, a Californian transplant who's distractingly handsome and clearly up to no good. I can't quite figure him out. He blew into town and has been relentless in his search for...something.

The sexy sneak is intriguing. And we've had a steamy moment. Or two. But now I can't stop wondering why he's searching in secret. From the library to my own backyard, Aaron leaves no stone unturned or record book unopened. He's definitely gotten my attention. But that might not be the only thing he's after.
