**Race Against Time: Why Do African-American Males Drop Out of High School** Dr. Geraldine Bryant "Black Lives Matter" is a powerful phrase that has brought attention to the shootings and deaths of multiple unarmed African-American men across the United States which , amongst other things, has strong impact in the area of education. Ensuring that our youth get a solid education is pivotal to their success and also to the overall strength of our nation. Unfortunately, one demographic that does matter, but is suffering in the education area, happens to be African-American Males. The number of black men that drop out of high school is alarmingly high. Generally speaking, without a high school diploma, it is more difficult to obtain employment. When unemployment is high, the community as a whole suffers. Combating this problem of "Why African-American Males Drop Out Of High School" is a challenge even though there is much research in this area. The goal of **Race Against Time** is to provide insight into this area through the research and writing of the author, Dr. Geraldine Bryant. Dr. Bryant will provide those in the area of education and beyond with the methodology she used to learn more on this topic and expose the root of this epidemic. By the time you complete this book, you will be equipped with powerful solutions that can be positively implemented in communities throughout this great nation.
