What is a woman to do when men are reluctant to lead? The biblical story of Deborah from the Book of Judges gives us a model to follow. You'll be encouraged by this story of a woman who exerted strong influence in a way that encouraged the men around her to be what God called them to be. This series is sure to spark discussion, as Nancy addresses the modern day feminist movement and calls women to a radically different way of thinking and living. Nancy Leigh DeMoss is an inspirational speaker, author, and host of Revive Our Hearts and Seeking Him-two radio programs for women heard daily on over a thousand radio stations nationwide. Since 1980, she has remained on the staff of Life Action Ministries and until 2001, she served as the director of women's ministries and as the editor of Spirit of Revival magazine. Regarding what she hopes to accomplish through Revive Our Hearts, Nancy says, "...I pray that He will raise up a movement of surrendered, trusting, joyful, wise, praying, fruitful women who will reflect the beauty of His ways in their homes, churches, and communities." Her mission statement is "to love God with all my heart; to glorify Him by living an obedient, Christ-like life and by declaring His Truth to others.
