Seeking God: Humanities Spirit is in Pain Dr. Michael A. Gray

From the tradition of multiple published literary works on our relationship with God and the Son, Jesus Christ-Dr. Gray shares insight regarding our road to a showdown with our Source. His concerns are that humanity has been disconnected with our Source since we left the Garden of Eden and each person, individually, must seek their own reconnection with God. The overriding fear is that most are not prepared for this meeting and the author sincerely prays for our return to sanity that places our God first in our world. He continues a message that he shares weekly on "www.conservativespirituality.com" and in his many volumes regarding spirituality.
