**Self-Inspection Handbook for NISP Contractors** Center for Development of Security Excellence

The National Industrial Security Program Operating Manual (NISPOM) requires all participants in the National Industrial Security Program (NISP) to conduct their own security reviews (selfinspections). This Self-Inspection Handbook is designed as a job aid to assist you in complying with this requirement. It is not intended to be used as a checklist only. Rather it is intended to assist you in developing a viable self-inspection program specifically tailored to the classified needs of your cleared company. You will also find we have included various techniques that will help enhance the overall quality of your self-inspection.
