Jim Hawkins has a bad attitude. What's more, he enjoys having a bad attitude about everything--especially about church.

Garth Plimpton is a fanatic. He's spent so much time studying the scriptures and thick books on archaeology that that he can't carry on a normal conversation with other kids. That's why they consider him a nerd.

Through an unusual chain of events, these two opposites become fast friends. It all began when Garth told Jim a simple truth: "They really existed once, you know."

"Who?" Jim asked.

"Nephites," Garth replied. "Every character in the Book of Mormon ate, slept, died, was buried . . ."

That statement, taken for granted before, would soon echo deeply in the two boys' minds--because they were on the trail of a chilling secret.
