## **The York Mystery Plays: Performance in the City**

This volume provides a wealth of new insights into the performance of mystery plays in medieval York and their modern revival. It utilises both academic study, and the practical experience of those who now produce the cycle within York itself on wagons in the street, in an approximation of their original performance. A number of topics are covered. The manuscript is linked to Richard III; the Masons are introduced as non-guildsmen in an enterprise assumed to be guild-specific; families, not just male heads of households, are shown to be important to the dramatic narrative; and cognitive theory elucidates performance past and present. Recent productions are discussed in lively detail by those directly responsible for them, leading to analyses of performances in Israel, Spain, and Australia, not all of them of a predictable kind, which offer further angles on the medieval dramatic tradition. Contributors: Margaret Rogerson, Keith Jones, Richard Beadle, Sheila K. Christie, Mike Tyler, Jill Stevenson, Elenid Davies, Ben Pugh, Peter Brown, Tony Wright, Steve Bielby, Emma Cunningham, Alan Heaven, Linda Ali, Paul Toy, Gweno Williams, John Merrylees, David Richmond, Alexandra F. Johnston, Sharon Aronson-Lehavi, Pamela M. King
